## Good to be back!

Well here we are at the end of the first week back after lockdown. How quickly that week has gone. It's been amazing to see the children back in school and busy learning in their classes. The children have been brilliant and have all settled really quickly back into the routine of school life. Our attendance on Monday was over 95% which was fantastic. Let's see if we can keep this going for the rest of this term and for the rest of this year.

Staff have spent the week settling the children back in, reminding the children of our routines and also identifying any gaps in their learning so that we can plan to address these as quickly as possible. If you have any concerns about your child's learning, please speak to their class teacher in the first instance.

If you haven't seen the pictures of the new uniform for September take a look on our website.

We currently have a vacancy for a family governor on our new Standards and Performance committee. Please see the letter which is available on the website and which has been sent out today.

## Dinner Money

It is coming up to the end of the financial year and we have huge amounts of dinner money outstanding. Some of it from before the first Lockdown in 2020

Please ensure all dinner money is paid in full by no later than Friday 26th March 2021.

Thank you for your co-operation.
