## Covid-19 Update

As you will be aware we have been notified this week of 2 positive cases. The cases are not linked and due to the procedures we have in place closures have been limited to single classes.

In order to ensure that we avoid closures as much as possible and to keep everyone safe please do keep following the rules.

- Face masks must be worn at all times on school site.
- Ensure you socially distance by remaining 2 meters from people who do not live within your household
- Only 1 adult to bring and collect from school.
- Children **MUST** remain by their family member at all times.
- Drop and go and do not congregate at the top of the drive

If your child has been sent home to isolate they **MUST** stay at home. They **MUST** not be out playing with friends or coming to school to collect siblings. This is crucial in order to stop transmission and to keep everyone safe.

## Pupil Emails & Passwords

Staff in school have all received training this week for the trust portal and been issued with new email and login details. Your child will be bringing home a letter next week with their new password and login details to enable them to work with the trust technology.

They will go live on Monday 5<sup>th</sup> April however as this is the school holidays we will be working with the pupils after Easter using these new emails passwords.

Look out for the letter next week.
