HAPPY EASTER

Well, here we are at the end of the second term in what can only be described as a challenging year for everyone.

I would like to start by thanking all those families who have supported us through home learning and supported us by following our procedures that we have put in place. These include mask wearing when on site, following our 1-way system and keeping children at home and getting them tested if they exhibit any symptoms. Only by us all continuing to work together can we keep each other safe.

I would also like to thank all the staff who have worked incredibly hard this term both during lockdown and after the full reopening of school for all pupils.

We say goodbye and good luck to two staff members today. We extend them both our best wishes for the future.

Mrs Matharu who has worked at Wallbrook for a decade as she took up post in April 2011. We wish Mrs Matharu all the very best for the future as she is leaving to spend more time with her family.

Mrs Thomas who has worked at school since June last year. Mrs Thomas is leaving to take up a post in a new school.

A huge thank you to both Mrs Matharu and Mrs Thomas for their hard work and commitment and we hope that they stay in touch and pop in every now and again to see us.

There are several other letters which have been published today on the website which we hope that you will take the time to have a look at. There is information from Dudley Public Health, information from the trust regarding contract tracing arrangements over Easter and the trust newsletter.

Finally, the staff and I would like to wish you all a very happy & safe Easter and we look forward to seeing you all back on Monday 19th April.

Pupil Emails & Passwords

Your child has bought home a letter this week with their new password and login details to enable them to work with the trust technology.

They will go live on Monday 5th April however as this is the school holidays we will be working with the pupils after Easter using these new emails passwords.
