Counselling and Therapeutic Support for Early Years Staff and Parents

Email: Lyndsey.gilroy@dudley.gov.uk

Due to the positive feedback received from the telephone support service offered during Coronavirus COVID-19 social-distancing and self-isolating guidance, **Dudley Counselling Service** will, in addition to our usual service, also be offering support via email.

Our support is staffed by qualified counsellors and available to Dudley **Early Years Staff and Parents of Early Years Children free of charge.**

Email the service using the above contact details and you will be contacted to arrange support.

We will be able to offer a supportive conversation, provide strategies and activities, and signpost you to local and national services and resources when appropriate.

Staff emailing the service with child name and details will need to have completed a request for involvement form with the parent before the details are shared. These can be provided on request.

All contact is confidential, and all contact will comply with GDPR requirements.
