

Summer Term 2021
Issue 5

Dates for Your Diary

Mon 31st May–Fri 4th Jun

HALF TERM

Monday 7th June

Pupils back to school

Wednesday 21st July

Last Day of term

Covid-19 Update

We have had an update from Dudley Health Authority regarding Covid-19 symptoms, this is detailed below:

As you are aware, individuals who have any of the three main Covid-19 symptoms (high temperature, new, continuous cough, loss or change of taste or sense of smell) must self-isolate (stay at home) immediately and book a Covid-19 test.

However, there are also a number of other symptoms (see table below), which may be linked to Covid-19 infection, although these symptoms are also common in a number of other illnesses.

Dudley Council's Public Health team and our school are keen to make sure we are doing all we can to prevent any further cases and are therefore **recommending that all children and staff in education settings get a Covid-19 PCR test as a precaution if they display any of these wider symptoms.** Details of how to book a test are included below.

Loss of Appetite

Sore Throat

Extreme Tiredness

Sneezing

Headaches

*Diarrhoea (must be clear of symptoms for 48hrs before returning to school)

Joint Pain or Muscle Ache

**Vomiting (must be clear of symptoms for 48hrs before returning to school)

Nausea

Runny Nose or Congestion

Please note that:

- If your child has any of these other symptoms (apart from diarrhoea* and vomiting**) they can carry on attending their education setting if they are well enough to do so and are not already self-isolating due to being a contact of a positive case.
- If your child has tested positive for Covid-19 in the last 90 days, they should not get tested for these other symptoms. This is because it is possible for tests to remain positive for some time after infection. However, they must self-isolate and seek a new test if they display any of the three main Covid-19 symptoms.
- If the test result is positive, your child and your household must isolate for 10 full days from the first day of symptoms with day one being the day after symptoms started
- If your child is currently self-isolating as a contact and the test result is negative, they must still continue their 10 day isolation period.
- If the test result is negative but your child then develops a high temperature, new, continuous cough or loss or change of taste or sense of smell they (and your household) must self-isolate and you must arrange another test for your child.

Menu

Week Commencing Monday 24th May 2021

| | | |

We are aiming to get our attendance over 95%. Take a look at the attendance of our classes.

| | | | |
|--------------|-----------|-----------|-----------|
| Whole School | This week | This term | This year |
| | 89.1% | 89.9% | 88.8% |

| | Rowan | Willow | Ash | Beech | Pine | Oak | Elm | Maple | Poplar | Cedar | Sycamore |
|-----------|-------|--------|-------|-------|-------|-------|-------|-------|--------|-------|----------|
| This Week | 86.9% | 85.7% | 91.3% | 91.6% | 89.8% | 89.6% | 85.8% | 97.7% | 79.5% | 92.3% | 87.7% |
| This Term | 85.6% | 89.7% | 93.5% | 92% | 93.6% | 89.6% | 89.6% | 94.5% | 84.2% | 87.7% | 88.1% |
| This Year | 85.8% | 87.9% | 90.3% | 93.3% | 88.5% | 87.3% | 90.5% | 90.6% | 89.1% | 88.5% | 85.6% |

Dinner Money

I have been asked by the kitchen manager to kindly ask if you have any outstanding dinner money could you please call into the office to settle up.

If your child is in KS2 and you are not in receipt of free school meals the cost of a meal is £2.40 per day.

Summer Holiday Activities

If your child age 5-16, is eligible for benefits-related free school meals and you are a resident in Dudley Borough.

Please register at <https://holidayactivitiesindudley.com/register-your-child/> Your child will be able to have access a variety of activities and sports with a healthy meal included.
