Reception

Reception have been reading the story 'Handa's Surprise' this week in school. They have enjoyed exploring maps and globes to locate Kenya in Africa where Handa lives. The children have enjoyed looking at different animals a

Key Stage 1

Key stage 1 have started a topic called 'Dinosaur Discovery'. They are really enjoying this topic and have found out many facts. They came into school one morning to find a dinosaur had visited their class and left foot prints and sand all over the floor.

Have they found any dinosaur artefacts at home? Maybe over the Bank Holiday you could explore our area for fossils. Wren's nest nature reserve may be a nice place to visit.

Lower Key Stage 2

The children are learning about Trail Blazers, these are people who have done a certain thing for the first time. i.e. climbed Mount Everest, an expedition to one of the Poles. Are you a Trail Blazer or would you like to be one?

Oak class have also started something called the HEN project, which is to do with singing, acting and performing.

Team Behaviour

Team Behaviour is a group of children who have been trained to support our pupils with their behaviour and wellbeing across school. In the past, this group of children have been a huge help across school. They have taken part in the Diana Award's Anti- Bullying Ambassador training as well as learning the skills of emotion coaching to support other children across a wide range of situations. We hope to continue

We are currently choosing new representatives from each KS2 class. We are looking forward to getting started with their training and seeing support they can offer their peers.

Years 5/6: Our topic this half term is 'Amazing Islands'. The children have enjoyed learning about how different islands are formed this week. We are looking forward to developing our painting skills and creating island scenes next week.
