## Sad News

In January when Wallbrook joined our Trust we were acutely aware that none of our schools had ever joined the group during a pandemic and that we would have to work very differently and that the school certainly needed to work differently.

Clare Longden and her team have worked tirelessly in the last few months to move the school forward but it has taken its toll. Sadly Clare Longden has decided to step down as the Principal of Wallbrook Primary Academy and will leave us at the end of the summer. Lorna McGregor who is currently the Vice Principal at Tameside Primary Academy will lead the school from the start of the new academic year.

Lorna is an exceptionally able senior leader who has played a key role in the transformation of Tameside and we are confident that she will enable the same sort of change at Wallbrook.

On behalf of the Trust and the staff, pupils and families of Wallbrook we have sent our best wishes to Clare and our thanks for her commitment to the school and the local community over 19 years.

## Farewell to Staff

We are saying goodbye to Miss Palmer, who has been one of our wonderful teaching assistants. She will be leaving us at the end of term to take up a post at a new school. We would like to wish her lots of luck in her new job and thank her for all her hard work at Wallbrook. We would also like to congratulate her on her up and coming wedding in August.

Also Mrs Chapple who is leaving to take up a post in a new school. We wish her well in her new leadership role.

We wish Mrs Williams who is retiring after working at Wallbrook for 27 years as breakfast club leader, lunchtime supervisor and also as a cleaner a long and happy retirement.

Mrs C Richards and Miss Mullings who are both leaving to pursue new careers. We wish them both the best of luck with their new ventures.

Miss Whiteley will also begin her maternity leave. Mrs Alexander will be covering for Miss Whiteley during the autumn term.
